Galerie Lelong & Co. Now Represents Tariku Shiferaw

Tariku Shiferaw, whose work appeared in the 2017 Whitney Biennial, has joined **Galerie Lelong & Co.** in New York, where he will have a solo exhibition in spring 2021. Shiferaw’s practice spans painting and installation, and his works explore mark-making and notions of perception and space. The artist is also represented by Addis Fine Art (with locations in London and Addis Ababa, Ethiopia), and his pieces have been exhibited at the Museum of Contemporary Art Cleveland in Ohio, the Drawing Center in New York, and other institutions.
